DECREE

As an emissary of God & in the name of Jesus, get outdoors, lift up your head & your voice to speak Peace over your city like a declaration.

GRAFFITI

Chalk the word Peace &/or Shalom somewhere inside your house & somewhere outdoors on your property as a prophetic act &/or as statement of faith & hope.

ELECTION-WEEK SHALOM / DAY ONE

1.

Federal agencies & local police departments are bracing for protests on election day.

2.

News of radical militia groups taking advantage of the polarized climate to plan acts of destruction, bombings, & violence right after presidential elections.

3.

Gun purchases are at an all-time high as people fear civil unrest in wake of the election.

Pray for the peace of your city in light of these negative potentials.

Pray shalom into these three themes today.
